

CHULANGA MALALAGAMA

Graduate Mechanical Engineer

A mechanical engineering graduate with a strong passion for research and innovation, experienced in biomechanics, robotics, and product development. Possesses strong analytical, design, and system integration skills, with a dedicated focus on advancing medical devices and assistive robotic technologies.

Professional Experience

Product Development Engineer – Exogenic (Pvt) Ltd

2025 July – 2025 Nov

- Development of a Trans-radial Myoelectric Prosthetic Arm
- Cross-Functional Operations and Administrative Management

Internship at Brandix Apparel Limited – Automation

2023 Nov – 2024 May

- Led the project to implement Brandix's first-ever Automated Washing Label Seaming Machine for automatic label tagging from the scratch.
- Developed C#-based applications for database management and HMI systems.
- PLC programming and Pneumatic Systems Development.
- Automation Process optimization.

Academic Experience

Visiting Instructor – University of Moratuwa

(2025 July – 2025 November)

- BM 3500 – Biomechanics
- ME 4270 – Biomedical Engineering Applications
- TE 4010 – Control Systems and Applications

Advanced Level Tutoring (2019 – 2020)

Projects and Research

Final Year Project & Research (May 2024 – July 2025)

- Development of a robot for pre-hospital treatments of traumatic bleeding wounds.

Mechatronics Project – Smart Trash Can (2022)

- Sensor-based automated waste disposal system.

MEMS Project (Sept 2024– Dec 2024)

- Design & Simulation of a Piezoelectric Self Adaptive Micro Valve

Education

BSc. Eng (Hons)

University of Moratuwa (2021 – 2025)

School Education

Rahula College, Matara (2005– 2019)

G.C.E. O/L Examination (2015)

9A's

G.C.E. A/L Examination (2019)

Combined Mathematics	A
Chemistry	A
Physics	B
General English	A
General IT	A
Common General Test	70%

Languages

- Sinhala – Native
- English – Fluent

Skills & Competencies

- Hard Working
- Problem-Solving
- Time Management
- Presentation & Effective Communication
- Networking & Team Building
- Team Player & a Leader
- Project Management & Event Planning

Software Skills

- SolidWorks
- C#
- SolidEdge
- Ansys
- AutoCad
- COMSOL
- Matlab
- LabView
- Python

Personal Details

Name : C. I. Malalagama
Date of Birth : 16th April 1999
Nationality : Sri Lankan
Gender : Male
NIC Number : 991071016V

Reverse Engineering Project (2023)

- Reverse-engineered a conventional high-mount winch device

Production and Operations Management Project (2023)

- Optimizing Production Efficiency via process analysis at Freelan, Enterprises (Pvt) Ltd.

Robotics Project (2025)

- Robot building with Autonomous Line following, Obstacle Avoidance, Wall Following, and Manual Control capabilities.

Design Project – Gearbox Design (2022)

- Design and Analysis of a Custom Gearbox System for a tow truck.

Optimization Project (2024)

- Rebranding & Process Improvement for TENAX Wooden Arts

Expertise & Knowledge

- Biomechanical Analysis – **Kinovea, SiMi Motion Capture System**
- Bio Signal Acquisition – **g.tec and Delsys Systems**
- Biomechanics in Research Projects, Theory & Lab Classes (Final Year Project and ME4270 Biomedical Engineering Applications Module)

Extra Curricular Activities

University Level

Executive Director (Operations & Current Affairs) – IESL Student Chapter – University of Moratuwa (2022–2025)

- Main Organizer
 - Startup Spark 2024, (Startup competition @ Techno 2024).
 - Main Organizer for the IESL Day 2025
- Co-chair – Hackathon Xtreme Coding Challenge @ Techno 2023.

Coordinator – Bionics Laboratory

EXMO Engineering Exhibition – 2023

- Oversaw demonstrations and arrangements during the exhibition.
- Bio-medical Engineering Project Demonstrations.

Pre-University Level

- **School Prefect – 2014–2017 (Senior Prefect – 2017)**
- Chess District Level Winner, All island Winner at Art Competitions, Achievements at English and Sinhala Language Competitions.
- All island Winner at General Knowledge Quiz Competitions.
- Mathematics Olympiad and Model United Nations School Representative.
- Badminton and Cricket Hobbyist

I do hereby certify that the information provided above are true and correct to the best of my knowledge.
