SUMMARY

PhD candidate in Mechanical Engineering (Biomechanics) at the University of Moratuwa. Background in mechanical engineering with strong experience in biomechanics, robotics, and control systems. Proficient in programming (C++, Python, MATLAB) and CAD tools. Interested in medical technology, prosthetics, robotics, and data-driven engineering solutions.

WORK EXPERIENCE

Research Assistant - University of Moratuwa	Nov 2023 - present
Trainee Mechanical Engineer, Ceylon Petroleum Corporation	Feb 2022 - Aug 2022

EDUCATION

2024 - present	PhD (Mechanical Engineering) at University of Moratuwa	
2018 - 2023	BSc (Hons), Mechanical Engineering University of Moratuwa	(GPA: 3.4/4.0)
2017	GCE Advanced Level Examination Rahula College, Matara	(Island Rank: 477)
	(Physical Science Stream)	
2013	GCE Ordinary Level Examination Rahula College, Matara	(8 A passes, 1 B pass)

PROJECTS

Upper Limb Rehabilitation Robot	Final Year Project (2022–2023)
Design and development of an upper limb rehabilitation robotic system for physiotherapy applications.	

3-Speed Gearbox with Reverse	Machine Design Project (2021)
Designed a 3-speed gearbox with reverse for an overhead crane application.	

Production and Operations Management Study	Yalta Tea Factory, Deniyaya (2021)
Facility planning and inventory management solutions for manufacturing efficiency.	

Arduino-based Autonomous Library Assistant	Mechatronics Project (2020)
Designed an Arduino-based system to automate library processes.	

PROFESSIONAL AFFILIATIONS & ACTIVITIES

Vice Chair (Chair elect), IEEE Young Professionals Sri Lanka	2024–2025
Section Student Representative, IEEE Sri Lanka Section	2023–2024
Design Engineer (Suspension Team), Team Falcon E Racing, UoM	2021–2023
Co-Chairperson, IEEE Sri Lanka Section Congress	2021
Director of Publicity, IEEE Student Branch, UoM	2020–2021
Co-Founder, Morawings Media Organisation, UoM	2020
Executive Committee Member, The Model UN, Sri Lanka	2016
Vice-Secretary, Senior Science Society, Rahula College	2015–2016

ACHIEVEMENTS

IEEE Sri Lanka Section Outstanding Volunteer Award (Student Category)	2024
Best Pillar Member Award – MoraSpirit News Pillar	2019
Finalist – Arimac Future Cast Competition	2021

PUBLICATIONS

Weerasoory, W.A.K.C. et al. (Dec. 7, 2023). “A Robotic Hand for Rehabilitation of Wrist and Fingers”. In: *2023 8th International Conference on Information Technology Research (ICITR)*. IEEE, pp. 1–6. DOI: [10.1109/ICITR61062.2023.10382762](https://doi.org/10.1109/ICITR61062.2023.10382762). URL: <https://ieeexplore.ieee.org/document/10382762/>.

CORE SKILLS

Programming	C/C++, Python, MATLAB
CAD Tools	SolidWorks, Siemens Solid Edge, AutoCAD
Mechatronics	Arduino
Other	Microsoft Office, Adobe Photoshop, Digital Marketing (Social Media)
